I'm very interested in taking a few of these courses. Are all the courses free or do you pay for certain ones? Also do you sign up ahead of time or do you just show up? I'm new to the area so this would be nice to help me get a job. Please help!! Thank-you!!!

Sincerely,

Laurie Barker

Hi Laurie. All the courses are free. It would be great if you could give the library a call and tell them you are coming. We don't want them to cancel the class—a call would help them know there is interest. Thanks, Mary Jo Ryan
